Global Star International Services

Precision in Motion, Commitment in Every Mile

Embark on a transformative logistics experience with Global Star International Services, where every shipment becomes a story of precision & reliability. As you traverse the nation, our Fast Delivery Express is more than a service; it's a dynamic journey of innovation and commitment. We take pride in being your trusted partner, dedicated to exceeding expectations in short and long-haul transportation, as well as providing secure storage solutions tailored to your needs.

In the realm of logistics, we don't just move loads; we orchestrate a symphony of efficiency. Picture your cargo's odyssey guided by a team passionate about performance and driven by your satisfaction. At Global Star, we are not just in the business of transportation; we craft logistics excellence that echoes with every mile traveled. Welcome aboard, where your shipments are more than cargo – they're a testament to our unwavering dedication to precision and your peace of mind.

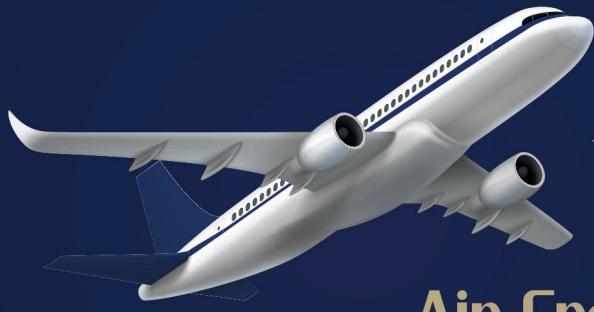

MISSION

Our mission is to deliver competitive and reliable global logistical solutions to clients worldwide. We are dedicated to achieving this by harnessing the expertise of our highly qualified team and leveraging an efficient network. Beyond profitability, our commitment extends to responsible operations that prioritize the well-being of both clients and employees. We aim to cultivate a safe and secure work environment, fostering a culture of excellence and accountability as we navigate the global logistics landscape.

VISION

Our vision is to be the forefront architect of transformative logistics, seamlessly connecting the world through innovative solutions & an unwavering commitment to excellence. We aspire to set new industry standards, leveraging cutting-edge technologies and a global network to redefine the possibilities of efficient, sustainable, and client-centric logistical services. With a clear focus on growth & adaptability, we envision becoming the trusted partner of choice for businesses worldwide, driving success through reliability, integrity, & a visionary approach to the future of global logistics.

Air Freight

Beyond Boundaries, Beyond Expectations

Unleash the Skies with Global Star: Your Premier Air Freight Navigator

Our global prowess extends to every principal trade lane, spanning Asia, Asia-Pacific, North and South America, Europe, Africa, & the Middle East, ensuring a comprehensive air freight experience like no other.

Global Star International Services stands tall on financial and professional competence, delivering expert international air freight services. Tailoring solutions for a diverse range of cargo, including general cargo, perishables, dangerous goods, and live animals, we redefine excellence in the skies.

Sea Freight

Where Every Wave is a Promise, Every Cargo a Priority

Navigate the Waves with Global Star:
Your Ocean Freight Maestro

Unleashing Ocean Horizons with Global Star International Services

Dive into a world of unparalleled ocean freight solutions with Global Star International Services, designed to elevate the efficiency of your cargo handling. Our comprehensive services encompass both Full Container Load (FCL) and Less-than-Container Load (LCL) options, presenting a diverse range of ocean carriers for your tailored needs. With a spectrum of choices, we offer frequent sailings, ample vessel space, and steadfast schedules, connecting you seamlessly to major ports across the globe.

As a beacon in the Freight Forwarding community, Global Star International Services proudly wears the badge of trust as a member of the FIATA association. Our commitment to reliability is further exemplified through our online tracking shipment service, empowering our clients to trace their shipments and receive real-time updates on cargo status.

Non Vessel Operating Common Carrier service (NVOC):
Optimal rates for efficient ocean freight solutions.

Multi-countries Consolidation (MCC):
Tailored for importers handling shipments from multiple origins.

Buyers Consolidation Service (BCS):
Streamlined service for importers managing shipments from various locations.

Full Container Load (FCL):
Comprehensive solution for transporting full container loads.

Conventional Break-bulk Shipments:
Specialized handling for unconventional or oversized cargo.

RoRo (Roll-on/Roll-off) Services:
Seamless transportation for vehicles and other wheeled cargo.

Our Commitment:
Flexibility
Reliability
Cost-effectiveness

Land Freight

Elevating Logistics, Redefining Solutions.

At Global Star International Services, we bring you a comprehensive suite of state-of-the-art transportation solutions, boasting a fleet equipped to meet all your freight needs. From versatile box trailers to low beds, flat beds, reefer trailers, tippers, and fuel and water tankers, our arsenal is designed to elevate your cargo experience.

Operating a robust network of overland transport hubs across the Middle East and the Gulf Region, Global Star International Services ensures your goods move swiftly, safely, and cost-effectively. Our extensive network and diversified fleet have established us as a logistics powerhouse in Dammam, providing crucial support to Coalition Forces while seamlessly serving the local business sector.

Full Trailer Load (FTL) and Less than Trailer Load (LTL):

Tailored solutions to accommodate every cargo size, ensuring flexibility and efficiency in transportation.

CPS Tracking System:

Our cutting-edge tracking system allows you to instantly monitor and receive real-time reports on all fleet movements, providing transparency & peace of mind.

Temperature-Controlled Cargo:

Specialized handling of refrigerated goods & containers, ensuring the integrity of your cargo from origin to destination.

Door-to-Door Services:

Seamlessly connect your supply chain with our end-to-end solutions, bringing efficiency and reliability to every step of the journey.

Customs Clearance

Commercial Projects & Streamlined Customs Clearance Solutions

Global Star International Services excels in crafting personalized freight and transportation plans, ensuring the safety and integrity of your cargo. Our dedicated commercial project team handles SABER product certificates and shipment conformity certificates as part of our comprehensive custom clearance services, offering a seamless experience for commercial projects of any scale.

Our Comprehensive Freight Services Include
